

# *Alien invaders!*

We need **your** help!

## **2<sup>nd</sup> Annual Water Chestnut Pullathon**

**Like free pizza?**

**Like getting dirty?**

**Need Community service hours?**

**Join us!**

# **Sunday, June 23, 9 am – noon**

Have fun and get out on Ice House Pond in Acton to help remove water chestnut, an aggressive invasive plant!

All volunteers age 14+ are welcome! This is a great, hands-on opportunity for high school students who are interested in the environment and need community service hours.

We have some boats, but if you can, bring your own. Life vests required. Recommend bringing water, bug spray, sunblock, hat, work gloves and water shoes. Event sponsored by Acton Natural Resources Department, the SuAsCo CISMA and U.S. Fish and Wildlife Service.
