INFORMATION ABOUT BUSINESS CERTIFICATES

(also known as "DBA"s)

The purpose of a Business Certificate is to publicize the ownership and location of a business, as required by the General Laws ("Public Information"). Many Banks, Creditors and others will verify Business Certificates prior to making decisions regarding your business. Corporations meet the Public Information requirements simply by becoming incorporated (and annual reports thereafter) through the Secretary of State's office. Massachusetts General Law c. 110, § 5 (attached here) states that **"any person conducting business in the commonwealth under any title other than the real name of the person conducting the business"** shall file a Business Certificate. A **"person"** in this case also includes Corporations, if the Corporation is conducting business under any other title than its corporate name. Therefore, if you have incorporated at the state level with a business name, and are only conducting business under that same name, there is no obligation to file a local Business Certificate. You will also need to call the Secretary of State's office (617-727-2800 or www.mass.gov) to be certain that there is not already a corporation using the name that you are intending to use.

Business Certificates do not "license" any particular business activity. Although prior to being issued a Business Certificate, you will need the sign-off from the Acton Building Department, the Zoning Enforcement Officer, the Health Department and the Board of Selectmen, those sign-offs do not necessarily indicate that your business is licensed or permitted in the proposed location. Those departments will provide you information and advise you of other permits or licenses that you will need to obtain before you can operate the business. It remains your responsibility to ensure that all applications permits and licenses are obtained, and that you comply with all applicable rules, regulations, bylaws and laws.

Business Certificates are valid for four (4) years. The Town Clerk's office will mail you a reminder to renew your certificate at that time. However, if the address of either the Business or owner(s) changes, you are required to update your Certificate by filing that change with the Town Clerk's office. If the individual(s) conducting the business changes, you are required to file this change with the Town Clerk's office as well. If the business is discontinued, you are required to file this change with the Town Clerk's office.

Businesses are subject to Personal Property taxes. (Mass. G.L. Chap. 59, Sec. 29) You should speak with the Acton Assessor's office to file a **"Form of List"** with them. This should prevent being over-assessed on personal property used in conjunction with your business. **Businesses remain subject to Personal Property assessment until a Statement of Discontinuance is filed with the Town Clerk's office.**

The filing fee is \$22.00 and the Discontinuance or information change filing fee is \$10.00
