Town Manager Steve Ledoux reports that the property next to the Mount Hope cemetery (commonly referred to as the Madden Property in past minutes) has been appraised at \$410,000.00 making an extraordinary assumption that the Conservation Commission will approve an access road into the property. The owner is asking for \$430,000 Community Preservation Act will cover the \$410,000.00 and there is a private donation offered for the remaining \$20,000.00

If the extraordinary assumption is not supported, a new appraisal will have to be done and other sources of funding will need to be secured. The Town Manager is asking the Cemetery Commission to consider an appropriation of their funds in the event that the assumption is not supported.

Motion out of Executive Session, 2nd, pass.
