1. The Commissioners signed bills.
2. Discussion of condition of grass on lots - last year we mixed horse manure with loam, and have noticed an excessive number of weeds in the areas where this loam was used. Commissioners agreed that we will accept no more horse manure. Stewart has promised there will be grass on the lots for Memorial Day this year.
3. Clean-up of banking at Mount Hope  
Stewart is checking to see if present budget will allow us to clean up this banking.  
Memo to D. Charter to this effect.
4. Salary Appropriation from Cemetery Trust Funds  
Roy Wetherby is willing to meet with the Commissioners. Stewart will set up a meeting for Monday, May 14, at 8:30a.m.
5. Homer Feltus Land  
This land is in the flood plain.  
It is assessed by the Town for \$55,000.  
Most it is worth is \$5,000.  
In the late 50's, the Town discontinued a number of roads. Did the road in W. Acton at the boundary of Mt. Hope revert 50-50 ?
6. The Engineering Dept. is doing work on layout of new section at Mt. Hope.  
We should put an Article on the Warrant for the next Town Meeting for at least \$5,000. for the lot plan for this section.  
Get figures for cost of the road from Jenks strip to the end of Section 8.
7. Stewart is going to see John Snyder Re: the high piece of his land behind the shed at Mt. Hope.
8. New Equipment - trailer and desk-top copy machine  
The trailer to be used to transport equipment from Woodlawn to Mt. Hope is the first priority.  
We have seen demo of Xerox 5014, and will see the Cannon 1010 next week  
Commissioners are inclined towards the Xerox because of dependability, 3-year free service and quality of machine.  
Motion: Authorize the Superintendent to make immediate purchase from Cemetery Trust Funds of Trailer and desk top copier. Vote: Yes - unanimous.

9. Voted unanimously to hot top road at Woodlawn.
10. Get approval to move rocks and get going on wall at Woodlawn
11. Truck
  - Power steering repaired on truck 16 again.
  - Truck 17 will not be available to us after June 1, as it will not pass inspection at that time.

  - Whit Mowry recommended we check into M.Y.O.B. as an accounting program
13. Next meeting - June 12, 1990
14. Meeting adjourned at 9:30p.m.
