TOWN MEETING DISCUSSIONS:

John Murray presented his memo indicating that there would be no need for a debt exclusion for sewers. He further explained the details. The Board asked questions and discussed several issues. During this discussion they determined that it would be best not to take this debt outside Prop. 2. 1/2 at the present time. The Board made it clear that an exclusion vote could occur at a later date if necessary.

DORE' HUNTER - Moved - Not to put the public sewer costs on an override question.  
HERMAN KABAKOFF - Second. UNANIMOUS VOTE.

Override Vote:

WILLIAM MULLIN - Moved Question 1: Shall the Town of Acton be allowed to exempt from the provisions of proposition two and one-half, so called, the amounts required to pay for the bond issued in order to remodel, reconstruct and make extraordinary repairs to the Conant, Douglas, Gates, Merriam and McCarthy-Towne schools and to the Blanchard Auditorium, including the purchase of equipment, architects' and engineers' fees? HERMAN KABAKOFF - Second. UNANIMOUS VOTE.

WILLIAM MULLIN - Moved Question 2 : Shall the Town of Acton be allowed to exempt from the provisions of proposition two and one-half, so called, the amounts required to pay for the bond issued in order to acquire the land known as the Morrison Property for general municipal purposes; said land being located on the northerly side of Concord Road and bordered on its westerly side by Woodlawn Cemetery and on its easterly side by Ice House Pond? WAYNE FREIDRICHES - Second. UNANIMOUS VOTE.

MASTER PLAN ARTICLE - Nancy Tavernier related her conversation with David Hill regarding the Master Plan/Corridor Study Article. Mr. Hill plans to speak against the article as he feels a traffic study is premature and incomplete as proposed.

Dore' Hunter suggested that the Board invite the Planning Board to a Selectmen's Meeting after Town Meeting to discuss the propriety of what one does with respect to motions during town meeting.

Nancy asked whether the Board would object to packaging both pieces of this article into a single appropriation. The Board indicated that they wanted them held discrete.
