### Regular Business

#### 7:15 **Request for Determination of Applicability: Route 2 MassDOT**

Representing MassDOT was Angela Schofield. Angela explained that the project was milling and resurfacing of nearly 6.3 miles of state roadway and a portion of this project is in Littleton and Boxborough. Decisions of applicability have been issued for the other two towns. Angela stated that there is only a small portion of the work proposed in the buffer zone.

Angela explained that the work is exempt under the Wetland Protections Act and MassDOT is asking for a negative 5 determination.

Hearing no further comments/questions the Chair closed the hearing.

#### **Decision:**

Amy Green moved to issue a negative 5 determination; Peter seconded and the motion passed unanimously.

#### 7:31 **Notice of Intent: 24 Heritage Road**

Representing the applicant was Nathaniel Cataldo of Stamsky and McNary. Nathaniel explained the scope of the project to construct an addition within the buffer zone of a boarding vegetated wetland. The proposed work is 17 feet from the wetland and the existing structures are 16 feet from the wetland. Nathaniel also stated that there are proposed walkways in the front yard, also further from existing structures.

Jim Colman explained that he was on the site walk and he expressed his one concern that the steepness of the slope in the backyard; Nathaniel agreed that the erosion control would be reinforced at the bottom of the slope.

This Chair announced that the hearing would be continued to the February 21<sup>st</sup> hearing since no DEP number had been issued yet.
