Description of Proposed work: Replace existing signs, using existing mounting hardware, and the same sign dimensions. The sign will be made of MDO plywood.

Findings and Requirements:

Findings:

1. The dimensions of the top sign to be installed are 3' wide and 2' tall, and of the lower sign, to be hung 1 ¾" from the top sign, are 3" wide and 5" tall.

2. The signs will be hung from existing hardware and hang 6" from the building's exterior wall that faces Massachusetts Avenue.

Requirements:

1. The signs shall be made of plywood and painted, both as described in the Application and its attachments, both attached hereto, **as amended by new Flourish artwork (attached).**

2. The signs shall be of the dimensions and hung as described in the above findings and depicted in the Application and its attachments, **as amended by new Flourish artwork (attached).**

When completed, the work outlined above must conform in all particulars to the Application approved on June 24, 2025, **as amended by new Flourish artwork (attached).**

The applicant may proceed with the proposed work provided all other approvals have been obtained, including a Building Permit if necessary. This Certificate is valid for work commenced within one year of the date of issuance. An extension or renewal of the Certificate may be granted at the discretion of the Commission. If a property changes ownership during the time the Certificate is in force, a new owner who wishes to continue the authorized work must apply to have a new Certificate issued in his or her own name.

The Decision only applies to matters within the HDC's jurisdiction. Any action permitted hereunder may still be subject to or require other approval or permits from other governmental boards, agencies or bodies having jurisdiction such as the Building Department, Planning Department, Health Department, Planning Board, Conservation Commission or Zoning Board of Appeals, as the case may be.
