Committee reviewed and approved minutes from the June 21<sup>st</sup> 2016 meeting.

Committee reviewed and approved as amended minutes from the October 20<sup>th</sup>, 2016 meeting.

Committee reviewed and approved as amended minutes from the December 15<sup>th</sup> 2016 meeting.

The committee proposed to pose the following questions to Verizon representative:

- What are Verizon plans for picking up digital signal from ActonTV if and when it becomes available?
- What are the options for Verizon to pick up Acton TV signal directly or otherwise if digital signal is available from Acton TV?
- Could Verizon provide Information on Verizon wiring related to how Acton TV signal is received by Verizon?
- What are the infrastructure improvements, expansions, or changes impacting Acton that Verizon is planning in the next year or two?
- What kind of community based programs that available to Acton residents run or planned by Verizon?
- Could Verizon share with the committee information regarding where they source the program listings? (The reason the committee wants to know this information is so that ActonTV could make programming listings available to Verizon viewers.)
- Is Verizon planning to offer less expensive TV plans or promote more actively al a carte plans?

Additional question to be asked at the meeting:

- At the meeting, the committee recommended to ask Verizon rep. regarding high prices of TV plans. Committee hears often from citizens regarding high cost of cable television.
